PRODUCT OVERVIEW | KEY PROTECTION

NO EXPENSIVE SUPRISSES

Modern keys aren't simple anymore. They're sophisticated high-tech devices with chips, remotes, and advanced security features that can make them expensive to replace. Losing or damaging one can be both costly and inconvenient, especially when replacement and reprogramming are required. Key Protection helps cover the cost of replacing lost, stolen, or inoperable keys so you can get back on the road quickly without the unexpected expense. With added peace of mind, you can drive knowing you're protected if the unexpected happens.
